

Amusement Cargo Climbing Nets

INCOR

InCord supplies limitless rope bridges, climbing ropes and rope netting products that may be integrated with commercial and residential playground structures.

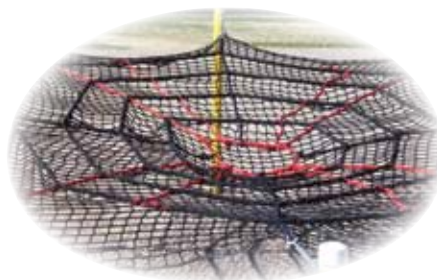

Our cargo netting solutions for theme, amusement, and water parks are high quality and long lasting. We provide cargo nets for waterparks, tree houses, lily pad walks and access to multi-level interactive play structures.

InCord cargo nets are hand woven and constructed using either Polyester rope or wire-core Netform™. All cargo nets are custom made to your specifications. Mesh openings must be 4" or smaller or 10" and larger, to comply with child safety regulations. Rope attachment hardware and end fitting terminations are available.

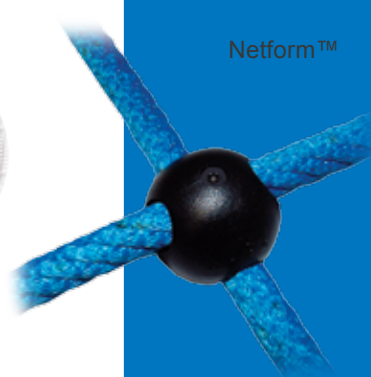

- *Suspension Bridges* • *Fencing*
- *Rope Handrails* • *Cargo Climb Nets*
- *Lily Pad Nets* • *Net Climbs & Tunnels*

Rope netting can be used in waterparks for lily pad nets, for climbing nets to access to multi level interactive play structures and for tree houses in backyards to create “Swiss Family Robinson” style forts.

We have custom made cargo nets for various or different applications, including: safety nets, climbing nets, obstacle course nets, zoo animal nets, tree fort platforms and more.

- Choose from a variety of cargo rope styles, colors and sizes.
- Polyester ropes are UV stabilized with superior strength, durability and flexibility.
- Netform™ 16 mm steel-reinforced rope provides all of the advantages of rope and steel cable.
- All cargo nets are hand woven and custom made to your specifications.
- If you can dream it, we can make it.

InCord netting products manufactured for use in the amusement industry are compliant with ASTM Standards F2375-09 and F2461.09.

Netform™ play systems are constructed of steel-reinforced rope so they're sturdy and tough yet soft to the touch. You can use Netform™ for a wide range of playscape applications which include cargo netting, climbing bridges, suspension bridges, hand rails, lily pad nets, climbing ladders, and restraint netting.

Netform™ is available in a variety of colors; (Red, Yellow, Blue, Black, Sand, Green).
